

Name: Dhana Sundari Sekar

Hall: Easton Hall

Position applied for: **Accommodation Rep**

Manifesto:

I would like to be the Accommodation Rep for the remaining months of stay at Easton Flats. The main motive behind this interest is to represent a group of people of different origins and help them feel at home with new friends even though they are away from their home and families. I would instigate interaction among fellow students from other accommodation halls also so that they have a greater exposure and experience while living in Newcastle. I ensure that there is a friendly, amicable and comfortable living condition for everyone.
