

HALL REP BY-ELECTIONS MANIFESTO

Name: Emily Armstrong

Hall: St Mary's College

Position applied for:

Accommodation Rep

Manifesto:

I think I would be good at representing people's opinions as I am naturally a spokesperson and assume responsibility for things automatically. I am already a course rep and have been on committees in the past as a representative of young people in my hometown. I would like to be an accommodation rep because I think problems and possible solutions would be quite easy to identify as they would be clear-cut.
