2020 WELCOME TO THE MEDIA AWARDS

Grace Dean
Editor of the Courier 19/20

Student media wouldn't be the same without its contributors.

Things are running a little differently at the moment, and while we can't have the Media Awards in person this year, we really want to take the time to thank each and every one of our volunteers who have put so much time and effort into student media this year. From those of you who have taken the graveyard shifts at NSR to those who helped with each Fight Night, from those who have sacrificed your Thursday evenings to livestream Student Council to those of you who have spent your Sunday afternoons bashing out an article for the Courier or who have stayed in the office into the late hours perfecting your layout - we are grateful for each and every one of you.

It's such a shame that the year has ended like this when all three branches still had so many exciting plans for the final term, but, for those of you graduating, your journey in student media is never over. We have a fantastic team of alumni from across the branches who are more than willing to help you with your future plans in any way they can.

Thank you to all of you for spreading your passion, enthusiasm and dedication to student media. None of our great achievements this year would have happened without all you fantastic volunteers.
