

## 2020/21 NUSU Participation Bursary Appeal

If you are considering an appeal, you should first contact Rohit Sharma (Equality, Diversity and Inclusivity Coordinator) at [access.union@ncl.ac.uk](mailto:access.union@ncl.ac.uk) to clarify why you have not been awarded a NUSU Participation Bursary. If following this discussion you still remain dissatisfied with the outcome, you can then appeal. However, please note that you **cannot appeal** and have **no grounds to appeal** if:

- You just dislike the outcome of the assessment.
- You are an EU or international student.
- You are not a Foundation/Stage 1 UK undergraduate student.
- You cannot provide the evidence required as outlined in the application process\*.
