- The insurance document is emailed out the booking contact a day before the hire; make sure you have received the insurance confirmation before going to the rental branch. The rental company will ask to see the insurance before allowing you to take the vehicle.
- If you are collecting a 15 seat or 14 seat minibus, you also need a section 19 permit available from Conor (which requires a £15 deposit)
- You may only drive the vehicles:
 - If you are a registered driver and are confirmed as a driver on the vehicle booking form
 - Between the hours stated on the insurance document – If you return the car after the insurance runs out this could result in an immediate ban from any further driving under the NUSU Insurance policy – if you cannot return it in time please contact Conor Munro-O'Brien on 01912393992 to get the insurance extended!
 - Ensure the licence plate of the car you are given matches that of the insurance document.
 - In the event of a breakdown/accident please follow the rental company's process first and if needed contact the QBE on 08003891708 and select option 1 (see NUSU Health and Safety Policy which can be found on the club/society documents page).
