

## Picking up and dropping off vehicles at Northumbria Cars

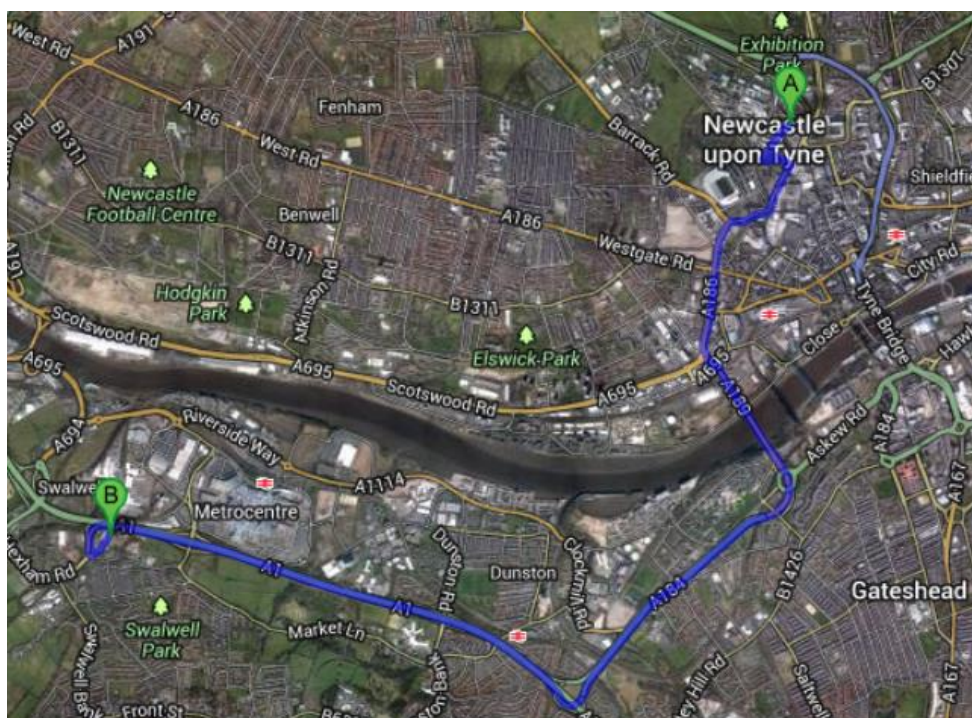

Address: Waterside, Longrigg, Swalwell, Newcastle, NE16 3AW

Phone: 0191 488 3176

- The insurance document is emailed out the booking contact a day before the hire; make sure you have received the insurance confirmation before going to the rental branch. The rental company will ask to see the insurance before allowing you to take the vehicle.
- If you are collecting a 15 seat or 14 seat minibus, you also need a section 19 permit available from Conor (which requires a £15 deposit)
- You may only drive the vehicles:
  - If you are a registered driver and are confirmed as a driver on the vehicle booking form
  - Between the hours stated on the insurance document – If you return the car after the insurance runs out this could result in an immediate ban from any further driving under the NUSU Insurance policy – if you cannot return it in time please contact Conor Munro-O'Brien on 01912393992 to get the insurance extended!
  - Ensure the licence plate of the car you are given matches that of the insurance document.
  - In the event of a breakdown/accident please follow the rental company's process first and if needed contact the QBE on 08003891708 and select option 1 (see NUSU Health and Safety Policy which can be found on the club/society documents page).

Northumbria Cars have offered that if drivers can get to the Metro Centre then they can ring the company to be collected from the Metro Centre bus station.
